

EU Sahel

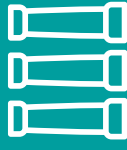

AUGUST 2017 — SEPTEMBER 2018

EMERGENCY
TRUST FUND
FOR AFRICA

KEY COMPONENTS

Design a SSR core-functions analytical framework identifying fundamentals for optimal functioning of a security system

Develop and apply an analysis grid to assess in-country institutional needs in the security sector

Assess institutional cooperation on security, at country and regional level, and with international partners

Formulate operational guidance to enhance consistency and improve effectiveness of the European Trust Fund projects in the Sahel
